DEDICATION

The WMBA is comprised of over 400 professionals in the mortgage lending field. The association is managed by a Board of Directors working in conjunction with an association management team to administer and direct WMBA's

wide ranging program of activity.

EDUCATION

A major dimension of the WMBA is the ongoing professional education of its members. Regional chapters hold regular meetings featuring educational and entertaining speakers. The WMBA sponsors the widely acclaimed annual Real Estate Finance Conference.

LEGISLATION

A critical focus of the WMBA relates to legislative activity. Under the direction of the Board and Legislative Committee, the WMBA's professional lobbyists monitor and act on bills and administrative rules that impact the mortgage lending industry in Wisconsin.

COMMUNICATION

The flow of information occurs at many levels within the WMBA. Committees and chapters help the Board of Directors stay in touch with the needs and desires of the membership. The monthly newsletter (*WMBA Brief*) informs members of Board actions, chapter activity, and relevant legislative and industry news. A wealth of information about WMBA and the mortgage lending industry, for members and the public alike, can be found at the association's Web site (www.WIMBA.org).

APPLICATION FOR MEMBERSHIP

The WMBA is a statewide organization whose objectives include professional programs of continued education for its members, the encouragement of sound industry-related legislation, and promotion of public understanding of the mortgage lending industry.

As a result of the adoption of the 1993 Tax Act, the portion of dues related to amounts paid or incurred for lobbying and legislative-related activities is not deductible for federal tax purposes. We calculate that portion to be 75%. Please check with your tax adviser if you have any questions.
